

DOUBLE PROFITS REPORT

The Affiliate Income Revolution is a powerful way to leverage the work and investment made by hundreds or even thousands of affiliate marketers and product vendors.

Your income will grow as more and more marketers and vendors jump on board. The money engine behind the Affiliate Income Revolution (AIR) is The Online Ad Network (TOAN).

TOAN is the service that will send you your monthly checks. If you have watched the videos or studied the AIR concept, you know once you get your first 3 referrals in TOAN, your TOAN account is essentially free ... because the first 3 referrals generate enough commission to cover your monthly cost. In other words, once you ***Get 3, Yours Is Free!***

This report is actually a double report. It covers one of the fastest ways I know to get your first 3 referrals. The second report explains how you can earn a double commission on all your referrals. And of course, you also qualify for one-time bonuses up to \$50,000 from TOAN, so **be sure to study how to do that [here](#)** (look for the section labeled, "Lucrative Cash Bonuses").

The Fastest Way To Get 3 (or more) Referrals In The Online Ad Network

Once you join TOAN, obviously, one of your first goals is going to be to get your first 3 referrals as fast as you can so your account is “free”. Here are my recommended steps to accomplish that goal. You can follow as many or as few of these steps as you wish:

1. Set yourself up for double commissions (as explained below). This is optional, but it's worth it. Read the second report and see if it's for you.
2. Join the TOAN Team Build. It costs \$10 per month, but you will be leveraging the advertising expertise of the founders of The Online Ad Network, and you WILL get referrals this way (based on my experience).
3. Buy [1 Year of premium U.S. visitors from eTraffic911](#) or [Adfly traffic](#) to the AIR Splash or AIR OTO Opt-in page.
4. Buy an ad package from [Leased Ad Space](#). You buy once and get recurring ads from this service. Plus you will also get commissions automatically over time.
5. Load your AIR ads in Leased Ad Space and TOAN.
6. Build a video and upload it to YouTube. You can get valuable insight on [how to optimize and rank your videos](#) here. You can also quickly create and leverage videos using [Video Spin Blaster](#).

Now, you also qualify for your first cash bonus when you fill your first 3 levels. If you continue to follow the steps above, you will eventually reach that goal as well.

How To Double Your Ad Impressions And Monthly Commissions & Immediately Qualify For Special Cash Bonuses With The Online Ad Network

The Online Ad Network (TOAN) is a unique, powerful way to promote anything you want to advertise. You can get tens of thousands of ad impressions all over the world and all over the Internet to get traffic to your blog, web pages, affiliate links, CPA offers, opt-in/landing pages, videos, images, Facebook Fan Pages, or anything else you want to advertise online.

You can even use them to create brand awareness ... like Coca Cola ads and GEICO ads on TV ... or even offline business products and services. And the more ads you load, the more impressions you will get!

Plus, good quality ads on TOAN have even gotten Click-Through Rates (CTR) as high as 50%! The CTR is the number of clicks divided by the number of impressions or views of the ad.

$$\text{Click Through Rate} = \text{CTR} = (\# \text{ clicks}) / (\# \text{ views})$$

A CTR of 50% means every other person who sees your ad clicks on it. And that is the #1 purpose of a banner ad ... to get the click ... You don't sell in the banner ad, you use the banner to get the click, and then you sell on your web page or in your email campaigns.

The **easiest way to double your ad impressions** is to simply enter the exact same ad twice. And regardless what your CT is, entering the ad twice will double the number of Click Through's you get (on average). In fact, you can enter the same ad ten times and get ten times the number of views, but **that is NOT what this special report is about.**

The unlimited ads feature of TOAN is powerful, but **the real power of TOAN is** the income you get by referring others to join.

Think about this for a moment ... If you promote your TOAN referral link and get 10 people who also want unlimited ads, you get monthly income for 10 people ... but it doesn't stop there ...

Let's say you teach 10 of your referrals about the referral feature, and just half of them do the same thing you are doing. That means in month 2, you refer another 10 and 5 of the people you referred last month also refer 10. Now, you are earning monthly commissions on 70 people in your referral network.

Month	You Sponsor	Your Referrals Sponsor	Your Total Referrals
0	10	0	10
1	10	50	70
2	10	350	430

If the same thing happens the next month, your commission is based on 430 people.

Now, it won't grow like that in reality; it never does. But consider that the [Lead Science](#) Done For You campaign also promotes TOAN for you and for

your referrals who join Lead Science on autopilot. This means your referral network will grow, and it should grow fast!

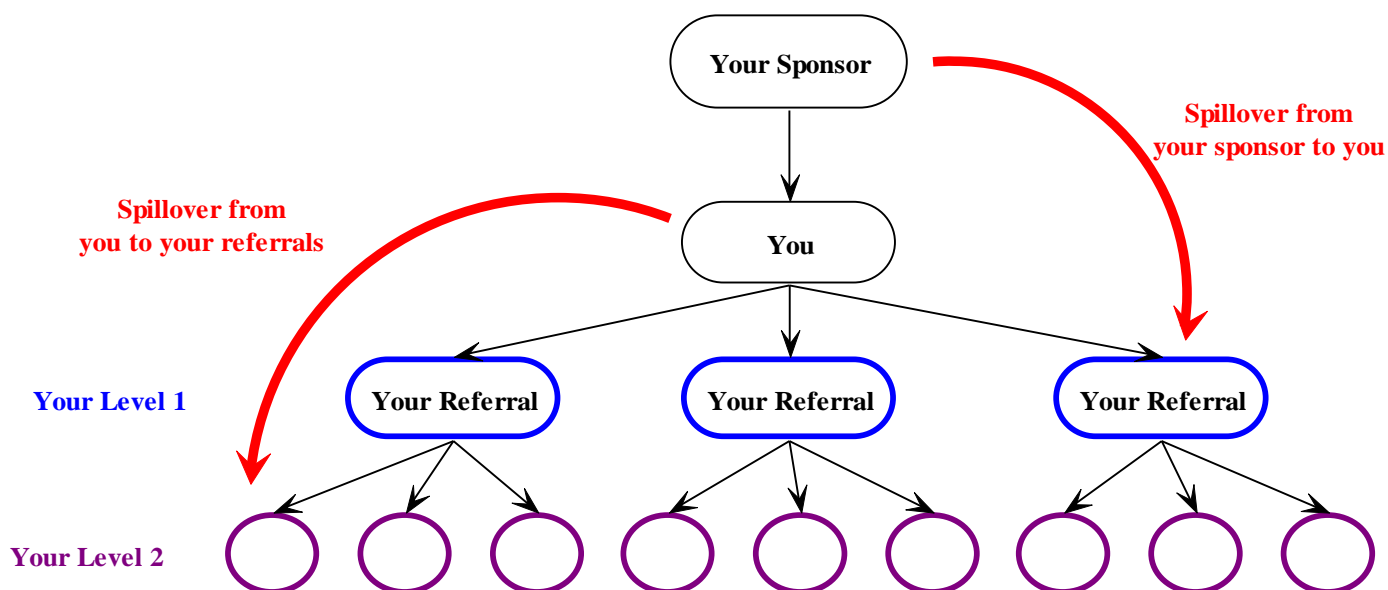

Wouldn't it be really cool if you got twice the monthly commission on all this growth?

Well, you can, and I'm going to show you how in this report.

TOAN uses a structure called a “3 X 10 Matrix”. That means you can have three people directly under you, and each person under you can have 3 referrals under them. And you earn commissions 10 levels below you.

If you sponsor 4 people, 3 of them will be placed directly under you ... on your Level 1. The 4th person goes under one of your Level 1 members on your Level 2. The fourth person is on your level 2 and on the Level 1 of one of the people directly under you.

If you sponsor 5 people, then #4 and #5 go on your level 2. If you sponsor 13 people, 3 will be on your Level 1, the next 9 will be on your Level 2, and the 13th person will go on your Level 3.

This automatic process of assigning people you refer to deeper levels below you is called “Spillover”.

So, as I said, you get a commission every month for every person below you on the first 10 levels. If you want to double your commission, all you have to do is buy another account using your first account's referral link.

Now, whenever someone joins under your second account, both your first and second account get a monthly commission. In other words, you get paid twice!

Many matrix programs require each account to refer a minimum number of new accounts to qualify for commissions. **But TOAN doesn't have that rule;** you never have to personally refer anyone to earn your commission. Your entire network could come from spillover, and you would collect a fortune in monthly paychecks.

So that doubles your income under account #2 ... But we haven't doubled all your commissions yet, because you are only getting paid once in legs 2 and 3. If you want to double all your commission, you need to buy 3 accounts from your first account's referral link.

This way, no matter where anyone joins in your network, 2 of your accounts will get the monthly commission.

The downside, of course, is you are paying for 4 accounts. But something interesting happens here ...

First of all, your first account has now referred 3 and the commissions on your level 1 is high enough that it covers the cost of your first account. So you are really only paying for 3 accounts.

Plus, you have already referred yourself with your first account, so that account is now qualified for the special cash bonuses. You can log in and click the "Support/Questions" button, and then click on [How Do I Earn Cash Bonuses?](#) to learn more about them.

Now, you have a choice. You can keep promoting your first account, or you can forget about account #1 and promote your 3 Level 1 accounts so they qualify for special cash bonuses.

Let's review what we have accomplished, and then we will look at using Lead Science and your Done For You campaign.

By sponsoring yourself 3 times, you filled your Level 1 and every new referral within 10 levels below your first account pays you twice. That's cool!

You have qualified to receive the special cash bonuses. But you have also quadrupled the number of ads you can enter. I have never hit a limit for entering ads (and I have entered at least 50 before) ... and the more you enter, the more impressions you get. But if you do hit a limit, you can enter more ads (or more copies of the same ad) in the other 3 accounts.

Now, let's talk about Lead Science. If you bought [Lead Science](#), it was because you want to build your list ... but you also want to make sales and build a monthly income.

If you enter an ad for your Done For You campaign in the Lead Science system, you will get your guaranteed number of leads on your list, a decent number of them will buy the Lead Science program, and some of them will join TOAN in your network!

They are buying Lead Science with the *Done For You* campaign, so they will set up campaigns for the Lead Science Done For You campaign which adds more referrals to your network. And the process continues.

Eventually, you can buy another account (or 4) in your best performing downline, and you will get even faster growth!

But that's not all ... If you enter a bunch of your *Done For You* campaign banners and text ads (and even TOAN ads) in your TOAN accounts, you will get a bunch more referrals, and everything snowballs from there.

Of course, all this won't grow equally or linearly or forever, but you should get enough growth to make a very respectable automatic passive income.

Wishing you wealth & prosperity,

Bryan
