

Announcing The Brand New, 6 Part, Step By Step Video Course That Shows You How To...

"Finally, Combine the Power of Viral Marketing and List Building to Explode Your Email List Growth Virally... Let Others Build Your List For You ... Guaranteed Or Your Money Back!"

From the Desk of:

Dr. Bryan Stoker

Dear Friend,

You've heard it and yes it's true. The money is in the list.

If you don't have an email list, then you are missing out on thousands of dollars in profits each and every week. Many business owners make a lot of their money off of their lists, and now you can too. It takes time to build a list if you do it all yourself.

Now I realize that for many of you, time can be an issue. Maybe you can relate to some of these:

"I've been trying to build my list, but I can't seem to do it! I've spent countless among countless of hours...What next?" OR "I wish I could build my list faster, yet retain the quality of the list"

Those are all common questions and whatever situation you fit into, you will be on your way to building a faster list while retaining its quality.

...and Yes, you can let others build your list for you, and still have that relationship built with your prospects if it is done right.

Introducing the "Viral List Blueprint" Video Series

This step by step 6 part video series that takes you by the hand and shows you how to get others to build a list for you, happily. What, that's crazy talk! Yes, I'm serious.

Here's a list of this 6 part video series in more detail:

1. Introduction

In this video series, you will learn what you need to get started, the basics of Viral Marketing, how the process of getting others to build your list happily works, and the basics of your mailing list system.

2. Two types of lists: How to get others to build your list for you, how it all works.

Since there are two main types of lists, the methods of list growth can vary from list type to list type. Understanding how these two types work will allow you to effectively get other people to build your list for you. At the same time, knowing which type of list you want to build, will help point you towards a specific path.

3. Methods that will help you boost your list growth

After you watch video 2, it will help you better understand this video, where you will learn how to boost your list growth for that particular list type. You will also learn real life and time tested strategies to explode your list growth for that type of list.

4. What should you give away?

As you know, in order to create a list, you need to give something away. In this video, you will be given many many ideas as to what your list builders can give away for best results.

5. How to create your viral product and how you should create it

From video 4, you may have gotten a few ideas about what you should give away. In this video, you will learn how to create your viral product that will ultimately *bring in leads for you for years to come*. Creating products isn't a hard thing to do. As long as you know how to do it

right, you can create it within a few days or less.

6. Marketing it and finding people to build your list.

By now, you will have a viral product in hand for your list builders to giveaway. In this video, you will learn how to find people who will happily build your list for you. Now the question is who would actually want to do that? You'll be surprised to learn that hundreds and thousands of people will, but you have to target these people to jump start your list growth.

So...with that said, grab this video series now and start making even MORE money by building a quality based email list. You can view this video immediately after your purchase, so you don't have to wait until I wake up or even if I'm in a different time zone.
